Bart,

What is the ultimate disposition of the mitigation areas? Will they be turned over to the FMNF or a conservation organization?

Attached is the information we wanted to send to the participants in the interagency meeting for Cainhoy Plantation. (Three emails). Leslie has been sent to Puerto Rico, so I have volunteered to help get this information to you.

The Pre-Application meeting is scheduled for October 18th from 2:00 to 3:30 at the USACE office in Charleston (room 321A/B). Please let me know if there is additional information and also forward to anyone in your organization that needs the information.
